So what is

you  
wanted  
about  
that?

It was like if  
there was  
something  
missing in  
our survival  
struggle

It was if she  
didn't see it

It was weird

She was staring  
right at the

It wasn't as if  
she wanted to  
be brave

Met someone like

one else!

Don't under-

And

That

Present!

Our audience will be composed of people who has zero in interest in ballet!

But this time

In the situation we are in, if somebody asked us to dance in a park in front of ballet audience, I won't hesitate to accept!

Personally, not getting paid is fine but

Would never consider going to watch the ballet show!

They are prisoners. People that even if they bought a ticket by mistake or where given tickets

I cannot dance in front of an audience that wish that they weren't there!

As a professional

and that is making me angry!

I will  
finally be  
able to  
dance!

They should  
know that  
it's practice  
time!

Why is  
nobody  
around?

day

in the little universe of ballet

At that time, I thought that for minorities, it would be impossible to find a place

At that time, I believed in it

your pride

way!

Imagine it! A

Nobody ever

I got an  
idea! What  
if we

That  
way, we  
could see  
if we can  
get and

I under-  
stood  
that  
watching  
us today!

We aren't  
bad dan-  
cers!  
We can do  
it!

If we are  
good  
enough for  
random  
people to  
stop walk-

watch us,  
we may be  
good for the

What can I explain it

People that are able to feel something only by watching people dance are rare

What's your point?

ゴト

"In position where the leg are crossed and the body is upright  
beyond the challenge"

And after that, the  
real thing begins

Because art can only  
exist if people are  
interested in it

Overall, what she  
said was that when  
a group of humans

That make them
